

ATTENTION HUNTERS!

WILD HORSE GATHER OPERATION STEENS MOUNTAIN UNIT

The Burns District of the Bureau of Land Management will be conducting wild horse gather helicopter operations in the two Herd Management Areas (HMAs) shown on the map during the month of September, 2003. These areas are within the Steens Mountain hunt unit.

NOTE: Access to the two HMAs will be restricted during the actual gathering operations. The gather will occur between September 9 and September 20. This could potentially affect the Mule Deer and Rocky Mountain Elk bow hunts and Steens #2 Bighorn Sheep hunt.

For background information on the BLM wild horse gather operations on public lands in Southeastern Oregon, review page 35 of the 2003 Oregon Big Game Regulations.

If you are considering hunting in these areas, you may obtain information regarding the planned wild horse gather operations, any fire restrictions, etc., by calling the BLM Burns District Office at (541) 573-4400 weekdays from 7:45 a.m. to 4:30 p.m.
